

Pillow block bearing

UCX series-UCX07

|                                    |        |
|------------------------------------|--------|
| Model of outer spherical bearing : | UCX07  |
| Nominal dimension mm (in.) :       |        |
| d :                                | 35     |
| D :                                | 80     |
| B :                                | 49.2   |
| C :                                | 21     |
| S :                                | 19     |
| S1 :                               | 30.2   |
| G :                                | 8      |
| ds :                               | M8 × 1 |
| F :                                | 6.2    |
| Radial rated dynamic load (n) :    | 29500  |
| Radial rated static load (n) :     | 18100  |
| Weight (kg) :                      | 0.7    |
