

Pillow block bearing

UCX series-UCX06

|                                    |        |
|------------------------------------|--------|
| Model of outer spherical bearing : | UCX06  |
| Nominal dimension mm (in.) :       |        |
| d :                                | 30     |
| D :                                | 72     |
| B :                                | 42.9   |
| C :                                | 20     |
| S :                                | 17.5   |
| S1 :                               | 25.4   |
| G :                                | 7      |
| ds :                               | M8 × 1 |
| F :                                | 5.7    |
| Radial rated dynamic load (n) :    | 25700  |
| Radial rated static load (n) :     | 15200  |
| Weight (kg) :                      | 0.53   |
